---

It should be recognized by our students and those responsible for enrolling students that on occasion NECB will use a student's photograph for publicity. It should be recognized by our students and those responsible for enrolling students that dance is a demanding activity and that the potential for physical injury is present. We encourage all participants to consult their physician before participating in classes. In consideration of our acceptance of your or your child in our program and by other good consideration the undersigned hereby agrees to forever hold harmless New England Civic Ballet Inc., and its instructors, board members, directors and officers, successors and assumes from any and all liability and any and all damages that could possibly be imposed or asserted as a result of any injury incurred as a result of participation in our programs. I have read the attached guidelines pertinent to NECB Inc., and agree to abide by them.
